In Memoriam

It is to the memory of George "Mick" Moul and Charles F. Kluge, the Fathers of two Senior Class members of 1954, that this book is humbly dedicated. Let us strive, through the deep sense of loss to the families and community, to remember our greater gain in the privilege of having known and loved them.

Class Prophecy

The time ten o'clock, the day May twentieth, the year nineteen hundred and sixty four. Mr. Tishendorf, (now Starring as our man "Friday" on the T. V. show DRAGNET,) was playing a hunch, her was right, it was the Senior Class of"54" holding a session. All he wanted were the facts, we gave them to him straight.

Joe Allen, now fulfilling his life ambition, is a professional guide leading the Chocolate Growers up the African Gold Coast.

A roar, then the sound of stripping gears is heard. The door opens and in rushes Bill Tjaden. He is now driving trucks for the "Smokie Diesels Van Line." Take it easy on those curves, Bill.

Sitting in the corner surrounded by picks and shovels, we find Professor Francis Moul of the National Geologists Foundation. Francis tells us he is determined to discover something old. Dig that!

Marlene Johnson, as we remember could always find something wrong with M. H. S. Particularly that long climb up those steps. She is now back at M. H. S. running her own elevator service. Dime a ride--pretty good business Marlene.

Bill Buchanan, now resides comfortably in the White House as the Presidents private barber. Pretty risky job Bill.

Hard to believe, but Jim Eastin, just returned from a hunting trip in the Africian Congo. "Fearless Jim," he is known as. Using some of that energy you stored up while at M. H. S. Huh, Jim!

Wayne Williams, is now a prosperous wheat farmer on his father's west forty acres. Rollin' in the dough, are you Wayne?

It can't be true, Beverly Softley, is an old maid school teacher. Between the two's savings she and Wayne figure they will be able to buy the ring before too many years go by.

Marlene Stransky, was dissatisfied with the uneventful life as a school teacher, so, she now has her own little business. A "Dime A Dance Hall."

Don Buchanan, is now the sole proprietor of "Ye Old Artists Shoppe." His specialty, Marilyn Monroe Calenders.

Hearing a sobbing in the background, Friday approaches cautiously and hears Joan Kluge, telling how she was turned down as a "Police Woman" just because she didn't reach the height of 5' 7". Determined to run the police out of business, she has established her own Private Detective Agency.

A clicking of high heels is heard and a fashionly young lady in furs walks in. It can't be, but it is--Shelia Scott. She tells us that she is now employed as a professional model at "Sally's Childrens Shop" in Branson, Missouri the 'heart of the Ozarks.

Last Will and Testament

Hear Ye! Hear Ye! The reading of the Last Will and Testament of the Senior Class of 1954 will now be heard.

We the Seniors of M. H. S. being in perfect health and sound mind (believe it or not) bequeath some of our better attributes which we find will no longer be of use to us after our departure from Madrid High.

To the incoming Freshmen, we leave our reputation as the worst class in M. H. S.

To next years, Sophomores, we will our ability to win all contests sponsored at Madrid High.

To the Juniors, we will the ability to get along (with each other) as we have in the past.

To the Seniors, we will our ability to give good class plays and our empty desks in the assembly.

We realize that it is very difficult to will these attributes, but we have tried to be fair to everyone.

And now our individual bequeaths are varied.

I, Don Buchanan, will my ability to get along with the girls to help the Pep Club in every possible way to Gary Johnson.

I, Jim Eastin, leave my laziness in school and ability to get along with the teachers to Irma (P. V.) Kluge.

I, Beverly Softley, leave my ability to get places fast (walking that is) to Karen Diagger.

I, Marlene Stransky, leave my ability to jump (an inch at least) to Jane Buchanan to be used as a cheerleader.

I, Bill Buchanan, leave my perfect attendance record to Wendell Carothers.

I, Francis Moul, will my height and ability to play football to Gary McCormick to be used against Palisade.

I, Wayne Williams, will my ability to remain a "Steady" (8 months now) to Dean Kornelsen.

I, Bill Tjaden, will my ability to drive on Sunday and stay out of wrecks to Roger Tjaden and my perfect attendance for a year to Theron Lee.

I, Joan Kluge, will my ambition to Harvey Brott and safe-driving techniques to Jerry Ritter.

I, Marlene Johnson, will my loud (but not disturbing) voice to Judy Olson to be used in class recitation.

I, Shelia Scott, leave my beautiful curls to Patty McCormick and my ability to write dictionary words quickly to Karen Smith.

I, Joe Allen, will my slim figure to Gary Day and my inhuman laugh to Marvin Brott.

To the faculty, we leave the test papers to be corrected at their convenience.

To the school board, we leave the unpaid bills.

To the janitor, we leave the ability to clean the gym and the girls dressing rooms.

Signed,

Seniors of "54"

Class History

You will probably never find these events in the pages of your history books. Nevertheless, we the Seniors of 1954, believe these deeds are worthy of being printed in black and white.

Thirteen years ago a group of twenty little kindergarten childred answered their first roll call at Madrid Grade School. This was the first roll Mrs. Drennan had called at Madrid, but she is still calling them and we hope she continues in the years to come. This was in September 1941. Marlene Stransky, Shelia Scott, Joan Kluge, Bill Tjaden, and Jim Eastin are the only original beginners. Others members of that primary class were Francis Boese, Madeline Brownell, Elaine Flaming, Marilyn Clapper, Floyd Lovenburg, Gene Lovenburg, David Munster, Leah Peterson, Marlin Reimer, Glen Teichert, Betty Lou Waters, Darlene Wilcox, Loyal Wiens, Ralph Lee Holton, Shirley Rae Jones and during the second semester Wayne Williams and Beverly Softley began.

During the elementary years many members of this class were lost and many new ones joined.

Twenty eighth graders attended their last year of grade school at Madrid with Bruce Shepherd as teacher. On May 10, 1950, twenty pupils received their diplomas after completing their grade school studies. These pupils were Joe Allen, Bill Buchanan, Don Buchanan, Jim Eastin, Marlene Johnson, Joan Kluge, Francis Moul, Shelia Scott, Beverly Softley, Marlene Stransky, Bill Tjaden, Wayne Williams, Elaine Flaming, Madeline Bryant, Floyd Lovenburg, Colletta Hazzard, Wayne Cox, Francis Olson, Patsy Johnson and Leah Peterson.

In September of 1950, eighteen timid and supposedly green freshmen were observed climbing the stairs that lead to the vast assembly at M. H. S. The class lost Elaine Flaming, Madeline Bryant and Floyd Lovenburg during the summer. Duane Russell was the only new member in our class. Elected to head the class this year were: Beverly Softley, President; Shelia Scott, Vice President; Joan Kluge, Secretary; and Patsy Johnson, Treasurer. Mrs. McCormick was our class sponsor this year. We were given a thorough initiation by the upper classmen, but surviving our brutal treatment we returned to M. H. S. the following year as Sophomores.

Our roll call this year was shorter with the loss of Wayne Cox, Francis Olson and Patsy Johnson. Officers tor our Sophomore year were: First semester: Shelia Scott, President; Marlene Stransky, Vice President; Leah Peterson, Secretary; Joan Kluge, Treasurer; and Marlene Johnson, News Reporter. Second semester were: Marlene Stransky, President; Francis Moul, Vice President; Leah Peterson, Secretary; Joan

Kluge, Treasurer; and Don Buchanan, News Reporter. During our Sophomore year Mr. Long sponsored the class. This was the year our fishing party was held; surprising, but no fish were caught.. This year passed very quickly and before we could realize it we had arrived at our goal--upper classmen at last.

Still decreasing the class lost Leah Peterson and Duane Russell. Miss Helen Ienn sponsored us during our Junior year. Junior class officers were: Wayne Williams, President; Joe Allen, Vice President; Joan Kluge, Secretary; Marlene Johnson, Treasurer; and Bill Tjaden, News Reporter. Francis Moul, Wayne Williams and Bill Tjaden were the Junior representatives on the Student Council. The Juniors were found very proudly displaying their class rings the latter part of November. Highlights of the year were the Junior Class play "Bolts and Nuts" in which every member of the class took part. Nautical Adventure was the theme of the Junior-Senior Banquet. Joan Kluge and Francis Moul represented the class at Cornhusker Girls' and Boys' State.

Another September soon rolled around and we found ourselves beginning our last year at M. H. S. One member of the class was lost this year when Colletta Hazzard dropped out. To head the Senior Class were: Marlene Stransky, President; Don Buchanan, Vice President; Shelia Scott, Secretary; Joe Allen, Treasurer and Marlene Johnson, News Reporter. Mr. Tishendorf was selected as our class sponsor this year. After properly initiating the Freshmen we settled down to the activities and studies of our Senior Year. On October 7, Haberman's of Hastings came to M. H. S. to take the Senior pictures. Joan Kluge, Shelia Scott, Marlene Stransky and Wayne Williams represented the Seniors on the Student Council. The Seniors choose Maroon and White as their class colors; the White Carnation with a Rose Bud Center their flower and as their motto they chose, "Life is a picture; paint it well."

Attending all thirteen years of school together were: Marlene Stransky, Joan Kluge, Bill Tjaden and Jim Eastin.

PLOT

The Skitter family lives in the backwoods country, in the very heart of the mountains in the deep south. Corney Bell, the beautiful daughter, has been visiting friends on the "outside" where the city people come to stay at the lodge and fish.

The fun really starts when Corney Bell comes home and finds she is being married off, however, she hits the roof. Nobody is going to trade her off for a "hawg", She has fallen madly in love with a "furriner" and while dancing together at the lodge, he told her she "war purty".

Because of some misfortune, the man himself (Robert Bruce) arrives at the Skitter farm. He is in a great predicament. He will be shot by Paw Skitter if he don't marry Corney Bell, and Sammy Fester has threatened to shoot him if he does. As the saying goes, "All's well that ends well", as everything turned out for the best for everyone involved. Corney Bell got her secret love and Dizzy Mae went back to her imaginative bear. The other Skitters settled back to take civilization in stride.

--PLOT--

This play was about a family who inherited a large amount of money. They moved to the city where Mrs. Bixby makes her bid for society.

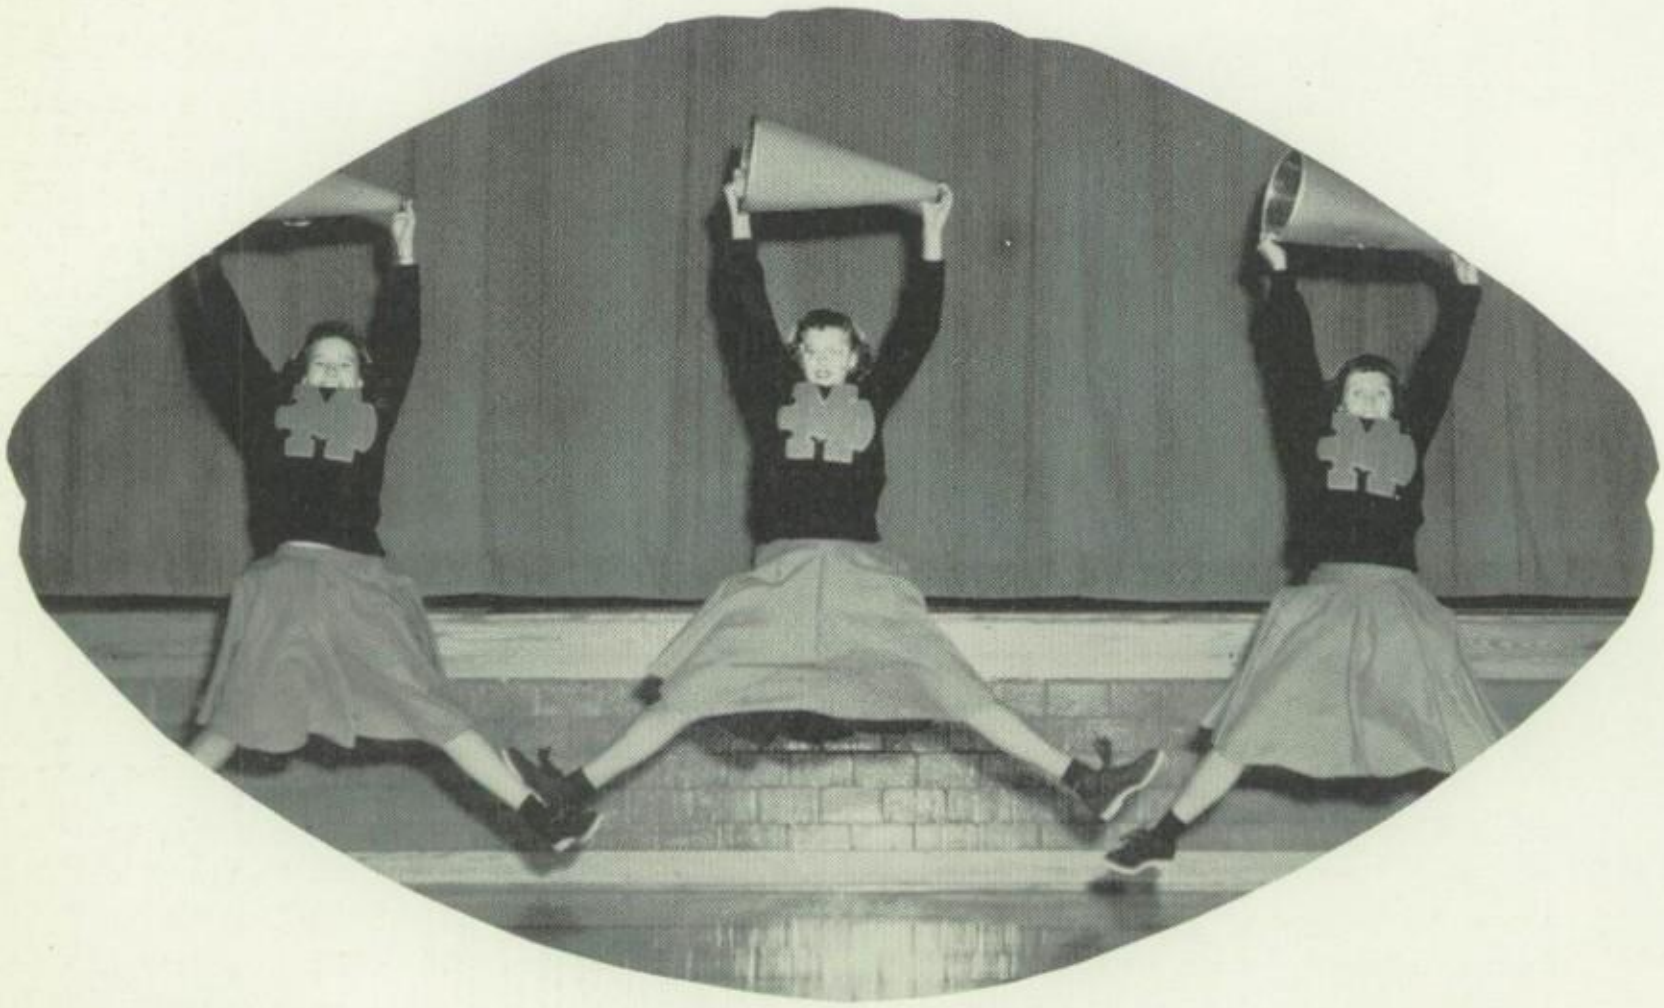
There are twenty four girls in our pep club this year. Miss Jo Anne Sorensen is our sponsor.

Not pictured are: B. Long, C. Wiebe, and J. Buchanan.

Marlene Stransky was our substitute cheerleader. This is Marlene's first year of cheerleading.

We have given one flashlight drill this year.

The Madrid Pep Club



The three main cheerleaders are S. Scott, D. McCormick, and J. Kluge. Shelia has been main cheerleader three years and substitute one year. Dellene is head cheerleader this year. This is her first year of cheerleading. Joan was a substitute leader last year and is a main leader this year.

PIRATES DEFENSE

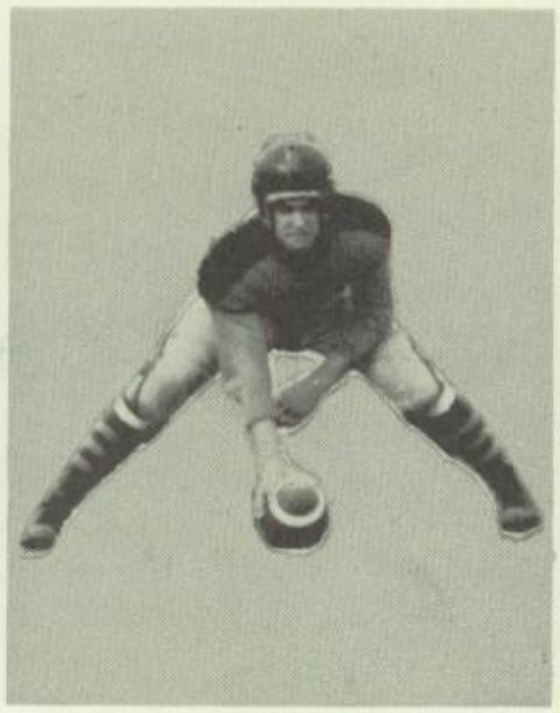
JOE ALLEN - End
Joe, playing his first year on the varsity proved a valuable pass catcher, and also a good pass defense man. Joe's outstanding play of the season was an 80 yard TD run on the second half kickoff in the game against Paxton.



BILL TJADEN - Center
Bill Tjaden was the pleasant surprise of the 1953 season. He played consistent ball throughout the season and proved to be one of the top tacklers. He is a three year letterman. His best game was against Palisade.

WENDELL CAROTHERS
End
Wendell started slow but finished the season with a bang. He is only a Sophomore and should be a valuable asset to the team for two more years. Coolness is his greatest asset.

FRANCIS MOUL - Half
"Fuzz" played end on defense and half on offense. He has been a regular for two years and lettered for three. Fuzz caught the pass for a TD in the last four seconds of the game to defeat Elsie. His best game was probably against Palisade.

DEAN KORNELSEN - Quarter
Dean has lettered as a regular for two years now and we are looking forward to one more year of top ball from him. He has alternated between quarter and half both years. He was an exceptional ball handler on the team this year.

GARY JOHNSON - Half
Gary was one of the better ground gainers in western Nebraska this year. He has lettered for three years and we expect him to keep on with his sparkling play for one more year. Moul and Johnson were team captains.

Varsity, left to right: Tickle, Owens, Regier, Moul, Allen, Hazzard, Carothers, Kornelsen, Johnson, Tjaden, Coach. As the annual goes to press the varsity owns a 11 won and 4 lost record. Coach Tishendorf has high hopes of winning his fifth consecutive district championship. Only three boys, Moul, Allen, and Tjaden are lost through graduation. Wayne Williams, not pictured, also played considerable ball.

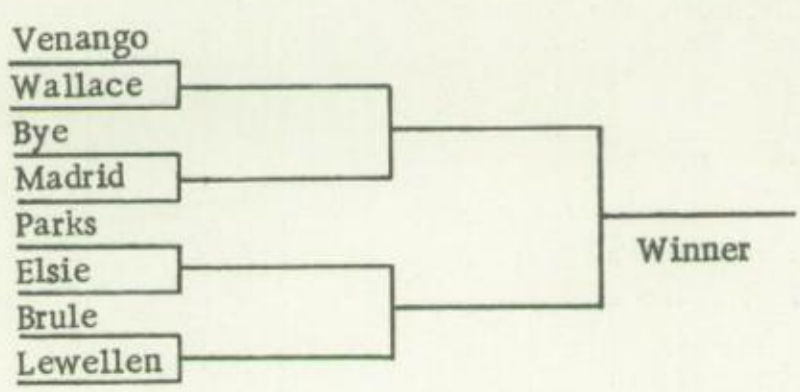
The Pirates have won the Eastern Division of the Oregon Trails Conference. The District Tournament has been set up as follows:

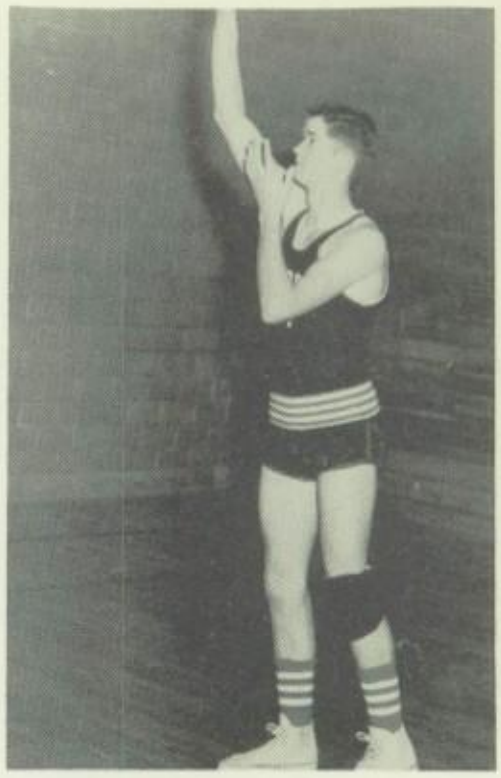


Madrid is host to the tourney again this year.

Reserve team, left to right: Back row: Bates, Brott, Vlasin, Erlewine, Hilferty, Shepherd, Myler, Tjaden. Front row: Student Manager Eggert, Wiens, Tickle, Regier, Owens, Burge, McCormick, The Reserves own a 6-6 record with 2 games to go. Considering that the team is made up of mostly freshmen, this is a very good record. Several games were lost by 2 or 3 point margins, The team has: 3 Juniors, 3 Sophomores, and 8 Freshmen.

FRANCIS MOUL

Francis Moul is playing his third year as a letterman. This is his first year at the forward spot and he is doing yeoman work. He is potent with his jump shot from the side and is currently second in the scoring column of a well-balanced scoring team. Moul is one of the better ball handlers also.



JOE ALLEN

Joe Allen switched from the post position last year to make the other forward spot. He sparkles as a rebounder and feeder, and also on the defensive.

MAURICE HAZZARD

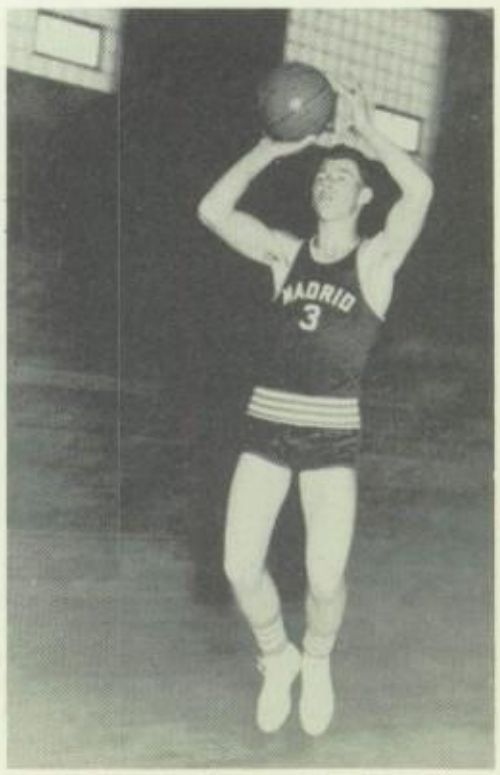
Maurice Hazzard, at 6' 2" is the big surprise of the season. He came along from the "B" squad of last year to take over the post position on the varsity. He is only a sophomore and should develop into quite a threat the next two years.

Dean Kornelsen, who can fill in at any position is currently holding down the guard spot. He is tough on rebounding and a good deceptive ball handler. As the annual goes to the press Dean is leading in free-throws.

GARY JOHNSON

Gary Johnson at 5' 10" is the shortest player on the first five. Despite this factor he gets his share of the rebounds and is the playmaker of the team. This is Garys third year as a letterman and second as a regular. He made the grade on the district all-star team last year as a Sophomore.

DEAN KORNELSEN



1954 Track Season

FRANCIS MOUL

With our annual going to press before Track time, the Madrid thinclads are looking forward to another successful year in track and field athletics.

Five lettermen head the track aspirants. First is FRANCIS MOUL who was Madrid's only State entry last year. Francis made the trip to Lincoln as a high jumper. He was also a consistent point getter during the season in other events including the pole vault, broad jump, 440 yard dash and 220 yard dash.

DEAN KORNELSEN

DEAN KORNELSEN, who is a junior this year, led in scoring for the year as a sophomore and we are looking forward to some standout performances from him. He specializes in the low hurdles, pole vault, and shot put.

JOE ALLEN was among the high scorers last year also. He specialized in the high jump and in the high and low hurdles. Although he failed to qualify for the state, his mark of 5' 7½" in the high jump during the PCA meet was tops for the year.

BILL TJADEN

BILL TJADEN is another letterman who also specialized in the high and low hurdles. Allen and Tjaden ran 1-2 in several meets last season.

JOE ALLEN

WENDELL CAROTHERS as a freshman was our only returning distance letterman. Wendell circled the oval several times each track meet to earn points for the team in the mile run.

The freshmen crop this year appears to be headed by a fine running athlete in WAYNE BURGE. Wayne placed in the Perkins County Field Day last year in several events and is apt to find high school competition to his liking.

WENDELL CAROTHERS

Other candidates who show promise for the coming track season are:

Wayne Williams	Senior	Weights
Jim Easten	Senior	Distance runs
Gary Johnson	Junior	Weights
Edward Owens	Junior	Sprints
Maurice Hazzard	Sophomore	Weights and High Jump
Bob Eggert	Sophomore	Distance runs
Marvin Brott	Sophomore	Distance runs
Gary McCormick	Freshman	Sprints
Allen Shepherd	Freshman	Middle Distance
